YOUR SPACE YOUR STYLE

Create a whole new look for your home with our stylish made to measure cellular and pleated blinds in a great selection of colours and textures.

SPC® (Solar Protective Coating) treated fabrics have advanced solar and optical properties that will filter light, reduce glare and help lower heat build up in your room. ESP® (Energy and Solar Protection) is a blackout coating that features on some of our fabrics and offers high protection against excessive sunlight.

Choose from blackouts that offer enhanced privacy through to high performance fabrics that help to control the temperature of your surroundings all year round. We have the ideal solution for any room in the home.

CELLULAR & PLEATED

SOPHISTICATED INSULATION

With their unique shape and functional design, our stylish Cellular and Pleated blinds take unpredictable UK temperatures in their stride.

Incredibly efficient, cellular blinds not only look great but also help keep energy costs down. Their unique honeycomb structure creates a thermal barrier between the room and window to provide additional insulation.

Cellular blinds are even more thermally effective when paired with Perfect Fit®.

A concertina-like aesthetic, pleated blinds are creatively designed to shade both standard and irregular shaped windows.

Selected pleated fabrics feature innovative solar reflectancy which helps to control the temperature of your room all year round.

CONTEMPORARY LIVING

— WITH PERFECTLY FIT, STREAMLINED SHADING —

Award winning Perfect Fit® blinds are a fantastic choice for most windows and doors, and they're so easy to fit with no holes drilled into your window frames.

PERFECT FIT®

Louvolite Perfect Fit® is unique because the window blind fits neatly into a stylish frame which moves together with the windows and doors when they are opened and closed, giving you the perfect combination of shade and ventilation.

THE BENEFITS:

- No gaps at the side of the blinds for enhanced privacy and improved insulation and light control.
- Totally child safe because there are no loose cords.
- Perfect Fit blinds sit on the window frame, so windows and doors can be opened and closed freely and your window sills remain clear.
- A range of frame colour finishes to match your windows and doors.
